

August Monthly Report 2018

Ambassadors Report

Highlights

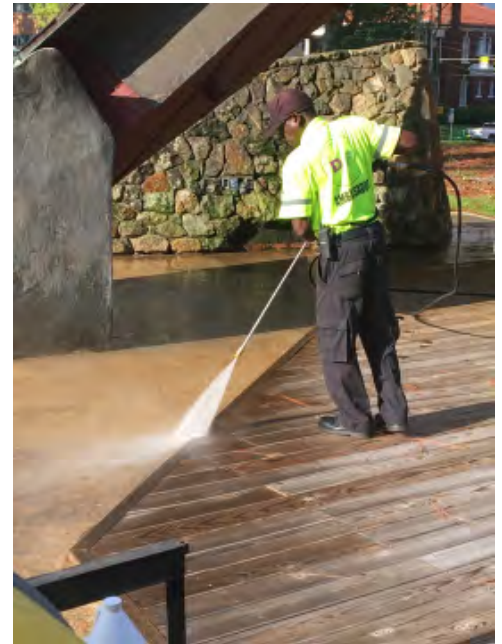

Field Observations

- Over the past month our biggest concern was with the homeless drinking alcohol at Union Station then coming into the district intoxicated causing disturbances.
- Ambassadors continue to encounter the homeless urinating and defecating along sidewalks and door entrances of buildings throughout the district.
- Ambassadors are noticing more broken windows in abandoned buildings throughout the district as they are making patrols.
- Ambassadors are seeing an increase in the homeless sleeping in door entrances of buildings and on benches after morning deployment throughout the district.
